PRESS RELEASES: Turkey-Sarah F. Allen, Foreign Minister, at the

great square stated, "A Crisis approaches. Can the civilization

of man endure yet another test by WAR? Shall annihilation be

the reward of the seeds of WAR? We in Turkey are pledged to the

continued existance of Peace! We ask that all nations join us."

Berlin: Kaiser Maximilian I has noted with regret that Germany

may soon find herself at War with Russia. "The Russian proposals

were quite satisfactory," he stated. "it was simply the case of

their arriving too late for the Foreign Office and General Staff

to alter previously made plans."
